

BARBARA SEARS ISN'T LISTENING!

Our economy is changing. To keep up, we need to invest heavily in training for new, recession-proof jobs that can't be outsourced. But Barbara Sears would cut state funding for job training and workforce development. ¹

These programs would open up doors for workers and help small businesses break into new industries, but **Barbara Sears says "No" to investing in the future.**

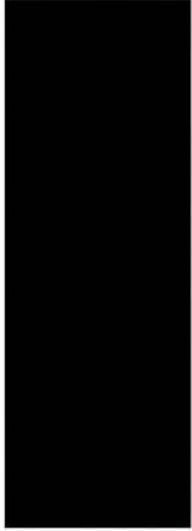

Say "NO" to Barbara Sears.

Ohio Business Survey, "Education and Workforce Development."
