

# Barbara Sears just *doesn't get it.*

THE WORLD ECONOMY IS CHANGING, AND OHIO NEEDS TO CHANGE WITH IT. OHIO WORKERS NEED TO LEARN NEW SKILLS TO COMPETE, AND STATE GOVERNMENT SHOULD BE LEADING THE WAY. YET, BARBARA SEARS WOULD CUT FUNDING FOR JOB AND VOCATIONAL TRAINING AND WORKFORCE DEVELOPMENT.

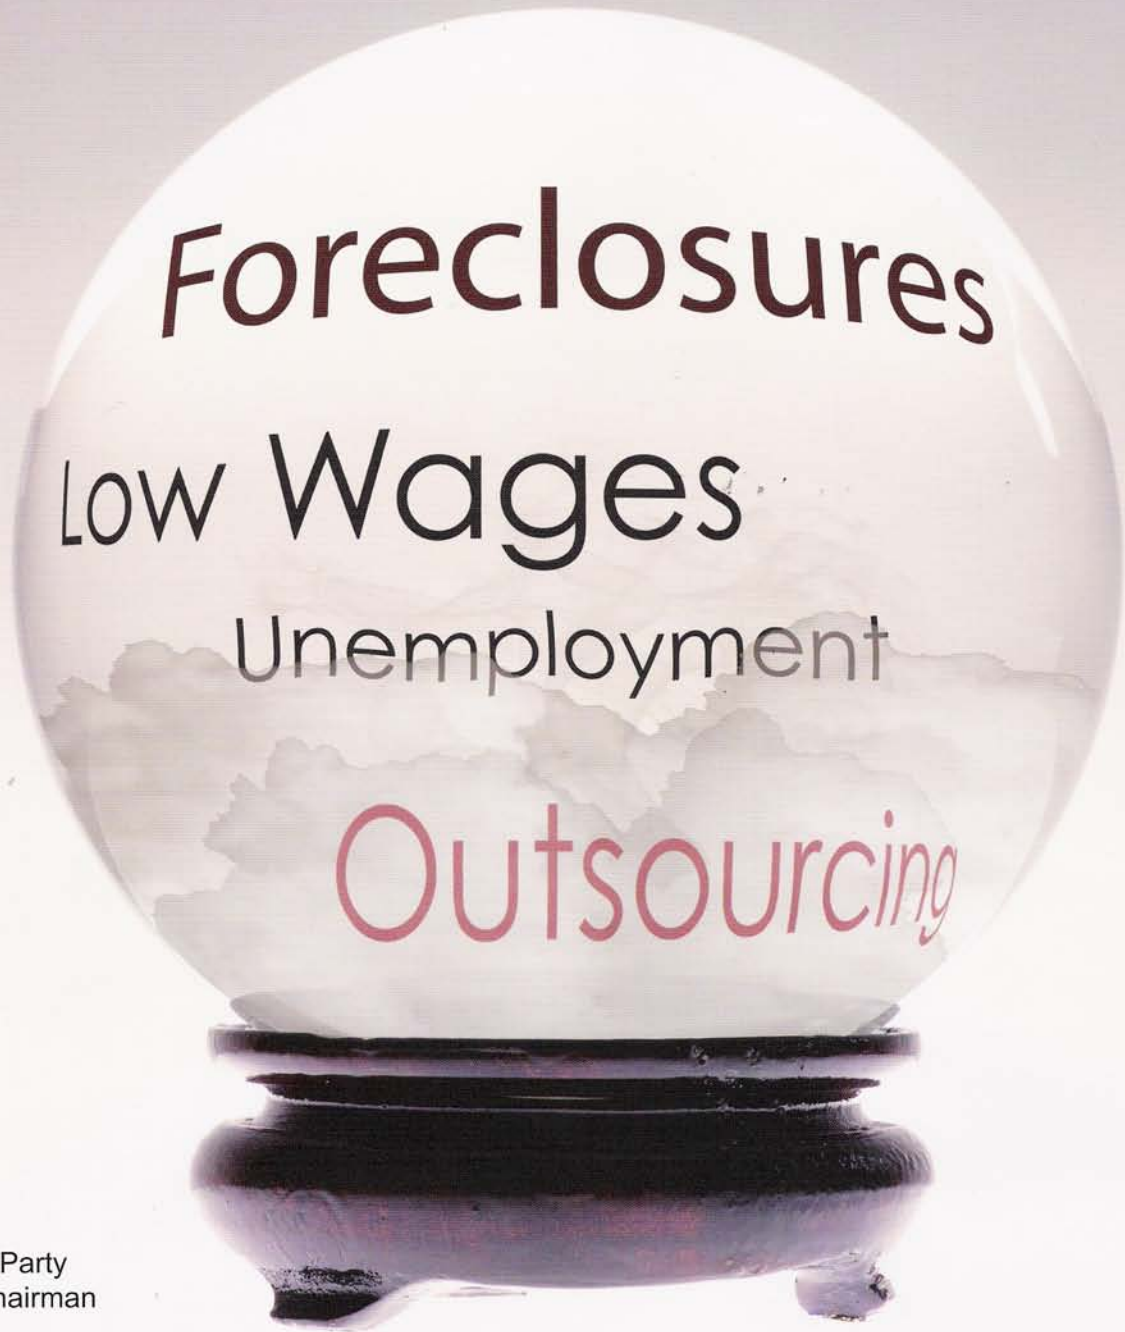

THESE PROGRAMS WOULD OPEN UP DOORS FOR WORKERS AND HELP SMALL BUSINESSES BREAK INTO NEW INDUSTRIES, BUT BARBARA SEARS SAYS "NO" TO INVESTING IN THE FUTURE.

With already stagnant wages and unemployment at a 16-year high, **Ohioans simply can't afford politicians like Barbara Sears.**
