**Barbara Sears must think
Fifi needs another collar.**

A new collar for Fifi?

Why else would Barbara Sears support a tax cut for millionaires?

At a time when most Ohio families are hurting, Barbara Sears supports a tax break for millionaires.¹ Guess who gets to pay - middle class families already burdened with too high taxes.

Give tax breaks to millionaires, and it's going to have to be made up somewhere - higher gas taxes, higher income taxes, higher property taxes, or some other tax

- but it sure won't be Barbara Sears picking up the tab.
